ACN90

Compact Indoor Corner Housing

The Moog Videolarm ACN90 housing is designed for indoor corner mount surveillance. It has a low profile, which makes this attractively styled unit ideal for offices, hallways and conference rooms. The off-white, injection-molded polycarbonate indoor housing will accept a 6" (15.2cm) maximum length camera. Each unit also features tamper resistant fasteners.

Key Features

- Attractive low profile styling
- Injection molded, off-white polycarbonate plastic
- Comes with a completely adjustable camera bracket
- Convenient cable access slots
- Tamper resistant fasteners
- Right-angle BNC connector is included to accommodate maximum camera lengths
